Important information about the school ticket for the public transport

Dear parents,

Starting from the school year 2025/2026, there are **new rules** for school tickets:

- School tickets will no longer be distributed automatically.
- School tickets must be applied for online.
- No school tickets will be issued without registration.

What do you need to do?

- ✓ Check: Can my child receive a school ticket? (Rules remain as before)
- ✓ Register: Scan the QR code and register for the school ticket online
- ✓ Deadline: By 30 April 2025, for grades 1 to 4 and from grade 6 in the 2025/26 school year
- ✓ Important: Those who register too late will receive their school tickets later
